

CALIFORNIA REGIONAL WATER QUALITY CONTROL BOARD
SAN DIEGO REGION

PROPOSED GREGORY CANYON LANDFILL WORKSHOP
CITY OF ESCONDIDO COUNCIL CHAMBERS
201 NORTH BROADWAY, ESCONDIDO, CA

APRIL 29, 2009

GROUND RULES

1. The City of Escondido has established a maximum number of occupants for the meeting room. Please take a ticket as you enter the workshop and give the ticket back to the Regional Board staff at the door, if you decide to leave the workshop.
2. If there are more workshop attendees than may be accommodated by the City Council Chambers, you may sign up for the waiting list at the information table located near the entrance to the facility. We will contact individuals on the list as space becomes available.
3. Turn off cell phone ringer and pagers. Please leave the City Council Chambers to make or return phone calls.
4. If you wish to speak during the workshop, please fill out a speaker slip including your name, affiliation and your question, and give it to one of our Regional Board staff. Alternatively, you can attach your written question to the speaker slip and give it to one of our Regional Board staff.
5. Please speak into the microphone stating your name and affiliation before you provide your comments.
6. Please limit your comments to the allotted time for speaking. **Questions and/or comments should be confined to a factual or procedural issue about the tentative Order.** The timekeeper will help to keep speakers within their available time limits.
7. If you agree with the comments or question from a previous speaker, please state your concurrence with that specific speaker, then provide us with your unique comments or question during your allotted speaking time.
8. The Regional Board will accept your written comments on water quality issues during the workshop or you can mail your written comments to us at: **California Regional Water Quality Control Board, San Diego Region, 9174 Sky Park Court, Suite 100, San Diego, CA 92123-4340, ATTN: Ms. Carol Tamaki, Orange and Riverside County Groundwater Unit**
9. The Regional Board plans to record the workshop proceedings to ensure that we have accurate record of the public comments received at the workshop.
